Regular Membership – Two full golf and social privileges.

Single Golf with Social Partner – One full golf and social privileges, one full social privileges.

Regular Single Membership – One full golf and social privileges.

Regular Social Membership – Two full social privileges.

Single Social Membership – One full social privileges.

A married couple is considered to be one membership.

A single person may assign a significant other as a partner for any couple type membership.

(This membership is limited to one partner, per calendar year.)

Equity Membership: Equity members are owners of the club and are entitled to vote on club issues

Also, serve on the Board of Trustees. Each membership is entitled to one share of equity.

The cost of this share is \$ 2,000.00.

The share may be purchased up front or over a four year period at \$ 500.00 a year. In the event that the member resigns, this equity will be repaid per club policy.

Non-Equity Membership: Non-equity members have full club privileges but are not owners of the club and are not authorized to vote on club issues or serve on the Board of Trustees.

*cart shed fee only charged if you have golf cart
